Head of Compliance Technology
Bank of Tokyo-Mitsubishi UFJ

Placement

Year	Total Students Eligible	No. of Offers	Maximum CTC
2025 (Continuing)	226	172	15.00 Lakhs
2024	198	178	27.00 Lakhs
2023	236	282	10.68 Lakhs
2022	233	398	112.00 Lakhs

Facilities of The College

- Computer Centre for students
- Well-equipped laboratory with virtual lab facility
- Digital Library
- Smart Class rooms
- Language laboratory
- Playground & Indoor game facilities
- Open Air Stage
- Separate Common Rooms for boys and girls
- Canteen
- IEEE, IET student chapters
- Institution email and other e-services for all students
- Highly qualified faculty members (about 50% PhD Degree holder)

Methodologies to support slow learners and to encourage bright students

- Counselling/Mentoring cell available
- Encouragement for students to participate in seminars and involve in research work
- Encouragement to take up mini projects
- Encouragement for students to participate in co & extra curricular activities
- Soft skill and personality development sessions in language laboratory
- Placement Training and guidance
- Career counseling

Curriculum & Teaching-Learning Process - Implementation

- Lesson planning by Teachers using Different Course Delivery Methods
- e learning with specified digital platform for student
- Lectures, Tutorials, Presentations (PPT and Videos)
- Laboratory Work and Virtual lab work
- Hand-outs, Web resources
- Collaborative & independent learning

Vision of the Institute

To evolve as an industry oriented, research based Institution for creative solutions in various engineering domains, with an ultimate objective of meeting technological challenges faced by the Nation and the Society.

Mission of the Institute

- To enhance the quality of engineering education and delivery through accessible, comprehensive and research oriented teaching-learning-assessment processes in the state-of-art environment.
- To create opportunities for students and faculty members to acquire professional knowledge and develop managerial, entrepreneurial and social attitudes with highly ethical and moral values.
- To satisfy the ever-changing needs of the nation with respect to evolution and absorption of sustainable and environment friendly technologies for effective creation of knowledge based society in the global era.
