Vision

To create a strong research-based teaching and learning environment that will cater to the needs of modern Electrical Engineering.

Mission

- To impart knowledge and technology to budding professionals and incite their quest for further enhancement of their learning.
- To produce recognized industry-ready professionals in Electrical Engineering, through educational program incorporating practice and project based teaching-learning processes.
- To enhance knowledge in Electrical Engineering, through research for sustainable development of the society and the nation as a whole.
- To promote social, environmental and technological responsiveness related to electrical energy through dissemination of knowledge.

Departmental Milestones:

❖ Faculty Development Programme

- Mr. Arup Das participated in Faculty Development Programme on "Entrepreneurship, Innovation and Capital Venture" (EICV 2021) organized by Department of Electronics and Tele-communication Engineering, Jadavpur University from February 18th to 25th, 2021.
- Mrs. Poulami Ghosh and Mr. Arup Das participated in 5-day online FDP on the theme "Inculcating Universal Human Values in Technical Education" organized by All India Council for Technical Education (AICTE) from 19th April to 23rd April, 2021.

❖ Placement

Students were placed in Nomura Research Institute Financial Technologies India in the period of January-June 21.

❖ Students' Achievement

Mr. Soumyajit Chakraborty of final Year EE was admitted to IIT Madras for MS course in Control and Instrumentation.

❖ Industrial Training

Sixty one students of 3rd Year Electrical Engineering attended Industrial Training in different companies like Tata Power Skill Development Institute at Jojobera and Think NEXT Technologies
